Dear Mary A. Lannoye:

Thank you for the grant considerations given to organizations in my community; in particular, Van Guard Community Services and Three Dimensional. These organizations are doing excellent work in the Detroit community. Often times, the one obstacle to an organizations success is funding. I thank you for removing that obstacle.

Again, thank you for your assistance. If I can be of any assistance to you, please do not hesitate to contact me.

I look forward to working with you in the future.

Sincerely,

Kwame M. Kilpatrick
